FLIGHT SYSTEM/HOSPITAL CUSTOM PURCHASE PROGRAM

We would like to help your organization bring a safer, more effective landing zone deployment system to your response area. While at the same time increasing your PR with emergency responders in your service area.

Utilizing our Flight Site Landing Zone Kit, the Fire/EMS agencies in your area will have the right tool to:

- **Ensure a Safe, Effective, And Standardized Landing Zone Identification**
- **Will Direct Pilots With Precision Guidance**
- **Save Precious Life Saving Time Identifying The Landing Zone**

Flight Site is the future of safe, hazard-free LZ's. Tested and recommended by EMS pilots from the smallest to the largest flight services nationwide, with thousands in service. Flight Site makes deploying an LZ fast, effective, easy and affordable.

If the agencies in your area are still using flares or traffic cones to designate LZ's, we recommend you talk to us about our **Flight System/Hospital Special Purchase Program**. This program is an excellent promotional opportunity to increase your area request for medevac response. The custom program includes:

- **Free custom embroidered logo and dispatch phone # on each bag**
- **Choice of over 7 bag colors to match your logo**
(Bag colors available in Royal, Navy, Black, Green, Orange, Yellow, or Red)
- **Significant pricing discounts**
- **24-hour Customer Service Assistance**
As seen at AMTC conferences.

Flight Site, Landing Zone/Scene Safety Kit. Flight Site will identify your landing zones in the safest and most effective way possible. With over 20,000 Flight Site landing zones in service today, they have proven to be an outstanding contribution to medivac/rescue teams. This five-strobe system with its **12,800Ft. ceiling** identifies the landing zone to the pilots from great distances. Flight Site with its **non vision impairing flash** saves pilots precious life- saving time while pinpointing landing zones with extreme accuracy. Our patented weightwashers will not allow the strobes to move even under the heaviest rotorwash conditions. With the very affordable, Flight Site Landing Zone/Scene Safety Kit you will enhance your medivac/rescue delivery. Flight Site has become standard use for emergency service organizations worldwide. This special kit allows your organization not only a great promotional opportunity but it will also ensure a safe and easy landing zone for your flight crews to fly to.
